Motion by Mrs. Stofen that we sell the piano for $60 on the installment plan with the understanding that we charge $5 down. Motion was seconded but it was thought best to lay the matter over for two weeks until Mrs. Haraszthy could be consulted in regard to the proposition.

It was decided if the entertainment spoken about by Mr. Taylor should be given that the Library would receive the benefit.

Mr. Taylor laid his plans for the entertainment before the Club and explained very clearly the entire proposition. He requested

the assistance of the Club in filling out the programme also asked us to use our en-
deavors to secure the hall, rent free also free license Exit Mrs. Taylor

Some of the members thought a com should be appointed to take the above under consideration and report to the Club not later than Monday Aug 6th and Mrs. Stearns named the following to serve on the com. Mrs. Appleton, Miss Stofer and Mrs. Cleve. Miss Stofer declined and the Pres. Appointed the chairman of the Library section Miss Humphreys.

It was decided to give the entertainment the last Saturday of this month.

Mrs. Cleve brought up the question of the rebuilding of the High School. The Club objected to the building of the temporary buildings. Many of the members thought it would be better to use the present place and thereby save the money to be expended on temporary shacks and build permanently on the old foundation using the walls of the 1st story for the new building. A plan was submitted with the above ideas in view. It appeared that experts had condemned the present walls but not the foundation. It seem to be the general opinion that the High School Trustees should abandon the temporary building idea and build one story on the present foundation and the members were urged to use any influence the possess to have the trustees give this matter further consideration.

Special Meeting Executive Board
Home of Mrs. Stofen, Sonoma Aug. 14th 1909

Meeting was called to order by Pres. Mrs. Stofen. The Committee to take charge of Country Fair and Art Loan were present.

The ladies discussed the advisability of postponing the undertaking until next year. Many entertainments are being prepared by societies and churches for this autumn and it seems we could not expect to make a success. The Catholic Church Fair and the Congregational Church Fair are engaging many of the Club members. Many also intend going to San Francisco to the Portola festival.

It was finally decided to postpone consideration of a Country Fair until spring and all would work earnestly for the Country Fair and Art Loan Exhibit. It was thought better to fix the date during the full moon about a year from now. Many useful and valuable suggestions were offered that will be useful next year.

Nothing further presented. A motion to adjourn was carried.
